Dear Mr Barnes

Planning Application 05/2442/COU

I have been copied into the enclosed letter of objection which has been signed by every single resident of Broadway Avenue, St Margarets.

I also have a copy of a DVD residents have made to illustrate the current situation in and around Broadway Avenue during the evening.

I have to say that I am entirely persuaded by the residents' argument against this application. Their objections seem to me to be valid, well reasoned, and supported by evidence relating to a number of material planning considerations.

No doubt when this application comes to Committee it will be considered very carefully by Members. My view is that this is not a development appropriate to this area and I hope it will be rejected.

Yours sincerely
