

Premier Housekeeping

Helping you manage your home

Premier Housekeeping

Housekeeping and help around the home

Our Premier Housekeeping Co-ordinator will carry out a home visit assessment to discuss the service and to work out a suitable plan to meet your housekeeping needs, for example:

- Help needed
- Required number of visits per week/month
- Cost and method of payment

Premier Housekeeping

Our housekeeping services

The range of housekeeping services we offer are:

- Housework (dusting, hoovering, cleaning, bed making, kitchen and bathrooms)
- Laundry
- Shopping
- Prescription collection
- Preparing light snacks
- Other assistance may be possible as agreed between the client and the Co-ordinator

The Premier Housekeeping Co-ordinator will then arrange a suitable housekeeper who has been reference checked and has a DBS clearance.

Premier Housekeeping

The cost

The service will cost £15 per hour with a minimum requirement of 2 hours per appointment.

A registration fee will also apply.

Our Housekeepers

All our housekeepers are highly skilled and reliable. We operate an intense induction and training programme for all housekeepers. In addition we only recruit staff with a high competency level and a drive for excellence.
